

BASIC PROGRAM OVERVIEW

- 1) A committee appointed by a post commander should establish contact and build rapport with local schools.
- 2) Establish a series of talks with students and faculty to highlight the six qualities. Legionnaires should deliver these talks at the students level of understanding.
- 3) Selection criteria and method should be decided well in advance of actual elections. Voting should be by secret ballot of the students and faculty with the post committee making the final selection.
- 4) The entire school community should be aware of and understand the program. Suitable, local publicity should be arranged to accommodate this. The sole purpose of the program is to promote wholesome ideas in active citizenship among youth. No trace of politics, sectarianism or favoritism should be attached to the program.
- 5) The medal presentation ceremony should take place in conjunction with a school's award or commencement ceremonies. A school-approved speaker from within The American Legion should speak on behalf of the award and lead that portion of the ceremony. Local veterans involved with the program should be enlisted to present the award.

AMERICAN'S CREED

"I believe in the United States of America, as a government of the people, by the people, for the people; whose just powers are derived from the consent of the governed; a democracy in a republic; a sovereign Nation of many sovereign States; a perfect union, one and inseparable; established upon these principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my country to love it, to support its Constitution, to obey its laws, to respect its flag, and to defend it against all enemies."

-William Tyler Page, 1918
