About The American Legion Veterans & Children Foundation

The American Legion Veterans & Children Foundation was established in 1925 as the American Legion Endowment Fund. Since then, the donation-driven fund has helped millions of disabled veterans and military/veteran families facing unexpected, threatening challenges. The foundation is a separate tax-deductible nonprofit 501(c)3 organization with a dedicated board of directors and national steering committee. It was renamed The American Legion Veterans & Children Foundation in 2019 to better reflect those it serves.

About The American Legion

The American Legion is the nation's largest veterans service organization. Founded by World War I veterans in 1919, it has grown to include all who have honorably served in the U.S. Armed Forces since Dec. 7, 1941, veterans and active-duty men and women alike. The American Legion Family consists of The American Legion, the American Legion Auxiliary, Sons of The American and American Legion Riders. The combined membership of those groups exceeds 3 million.

The American Legion works every day in Washington D.C., across the country and around the world on behalf of veterans, U.S. military personnel, young people and patriotic communities. Through "individual obligation to community, state and nation," The American Legion is committed to fulfill the words of its official motto:

"When Courtney (VanZanten) became our Legion veteran service officer, it was just the difference between night and day. She'd fill out the papers, she knew what questions to ask. She worked very hard on my behalf."

Rodney Smith, a Brown Water Navy vet from the Vietnam War

"The American Legion's Temporary Financial Assistance grant establishes hope in someone ... We are extremely thankful and ... couldn't have been blessed more by getting into The American Legion and look forward to our future within the organization."

U.S. Marine Corps veteran **Walter Culberson**, whose family received a Temporary Financial Assistance grant to pay utilities until he got a new job after the COVID-19 pandemic put him out of work in April 2020.

TFA has distributed nearly \$2 million in cash grants since 2017.
